Aer'l came through
June 6, 2023 @ 10:55:04 PM

I receive him as a "Grey" type species who seems connected with the idea of FATHER, potentially even my own.

He comes all the way down into the etheric frequency bandwidth of my 3D physical space. He wears a light helmet over the crown of his head that I find particularly interesting.

I see him as principally AQUATIC, as a composite with a central axis stemming from WATER. He can live-and-reside both in water and on land.

He seems to have an ancestral, indigenous connection with our Earth
His name points me toward the Alabama Piqua Shawnee..

 with the Aztec peoples.

His exact species is UNKNOWN to me
 but when I feel into him I sense a high
 GUIDE and connection with my
 own higher fractal consciousness. .

He is one of the beings I connect to the
most, but can say the least about. He dons
an intriguing symbol at the brow. He
teaches me of brainwave frequencies,
and encourages me to look deeper into
and even categorize the various
eye types of the beings who contact me.

Although his species is UNKNOWN to me he is, as near all the beings we are meeting, a fully corporeal, galactic-level incarnate who, quite interestingly to me has an association with Ethiopia. One of the formats in which he transmits is an Ethiopian male. I have been given information in the OBE relative to what is happening with the tectonic plates in that region.

He seems to me a 4D galactic-level being specifically of the Yahyel civilization; this is a strong feeling that arrives with him.

He has taught me how sunlight works with the crystal and originally came through in a rendering request from another out of body explorer.

**Quinn first began coming through
in February of 2020**

He was the first being to come through repeatedly and he has done so more times than I can easily recall (but many dozens). There is a whole family of beings who come through with him. For lack of a better way to categorize him at present I currently place him in with those of the Grey species. This said, the format in which I have actually met him is ELVEN, olive skinned and jet blue/black hair.
